Dear Parents,

Year 6 - Trip to Beamish

As part of the "Arts Award - Explore Mining Art' project, we have arranged for Year 6 to visit Beamish museum on Thursday 24th January. During the day, the children will explore what it is like to work as an artist and produce some sketches as Norman Cornish did. They will also complete some photography work in the pit village. These photographs will be used as a stimulus for their own art work in the project. Children will need to wear their school uniform as usual and will need a waterproof coat and a hat and gloves (the weather can still be a little unpredictable). As we are there all day, children will require a packed lunch. If children require a school packed lunch I would need the slip below returning no later than Friday 17th. If the slip is not returned by then I will presume you will be providing your child with a packed lunch.

As this visit is part of the Arts Award Project, the transport is being funded by them and we only need to pay the entrance to Beamish at a reduced rate of £6.

If you have any questions about the visit, please do not hesitate to ask.

Thank you,

Year 6 team
